EDU 501.103 – Student Goal Setting in Reading –

January 1 – February 28, 2019

March 1 – April 30, 2019

April 1 – May 18, 2019

Knowledge of your students' reading interests, behaviors, fluency and comprehension in and out of school will provide data needed for you to help them succeed and become lifelong learners. Collecting and analyzing data will help shape a successful school year. The projected outcome of this course is to provide classroom teachers with the knowledge, understanding, and methodologies needed to collect specific literacy data on their students and create individualized student goals for achievement.
